People make the difference

Every insurance company handles claims. But what makes Chubb auto claim service so different? In a word... people. If your vehicle is damaged or totaled in a covered loss, you can count on Chubb's claim people to be guided by our 125-year-old tradition. "Never compromise integrity" — a founding Chubb principle — captures the spirit of our claim philosophy. Our commitment to this philosophy has garnered Chubb a global reputation for handling claims promptly and fairly, with a level of human empathy that is unparalleled.

Perhaps this is your first auto claim; for Chubb, it is a process that we have been through hundreds of thousands of times. The depth of experience of our auto claim adjusters and service representatives and our breadth of expertise in handling auto claims offer considerable peace of mind when it comes to *your* claim.

Going the extra mile: *Masterpiece®* Auto Preference® Services

When a covered auto accident occurs, a Chubb claim representative can offer coverage assistance and put you in touch with these value-added services:

Preferred repair shop program

Chubb maintains relationships with reputable collision repair shops and dealerships that offer priority service and peace of mind. These shops specialize in high-end vehicles, and many are manufacturer-certified. If you need a referral to a qualified auto repair shop, Chubb can recommend a shop in your area. The shop representative will then contact you within 24 hours to manage the repair process, provide updates, and make final arrangements once the work is complete. While Chubb allows you to choose any auto body shop for repairs, we guarantee the workmanship of repairs done at a preferred shop for as long as you own the vehicle.

Custom auto glass repair / replacement

If a window on your car cracks or breaks, Chubb will pay for repairs or replacement for a covered loss, with no deductible, as long as you have Full Window Glass coverage on your policy. Chubb can set up a convenient time and place for repair or replacement — most likely in your own driveway or the parking lot of your place of employment. Chubb offers a lifetime warranty for repairs or replacements through our glass program, but you always have the option to choose your own glass vendor.

Car rental service while your vehicle is being repaired

Coverage for a rental car is automatically included in your policy and available up to \$5,000 or more in most states. If your car must be in the shop for repairs after a covered accident, or it is totaled or stolen, a Chubb claim adjuster will work with Enterprise Rent-A-Car to arrange for a replacement vehicle. We will reimburse Enterprise directly for the rental car, so you won't have to worry about a bill. Enterprise services are available nationwide, and many Chubb preferred shops have Enterprise counters on-site. Of course, you can choose any rental car agency, but as a Chubb customer, you will receive enhanced service with Enterprise.

Roadside assistance and towing

If you have Road Service coverage on your policy, Chubb will pay up to \$75 for towing. If your policy does not include this coverage, you can still access the towing service, but you will be charged directly for the entire towing cost. For roadside assistance and towing, call 1.800.CLAIMS.0, and select the "Roadside Assistance" option. You will be linked to a dispatcher, who will send help from a nationwide network of over 6,500 independent service providers.
