1. Go to [www.corporationsandtrademarks.vi.gov](http://www.corporationsandtrademarks.vi.gov), 24-hours a day, seven-days a week.
2. Create a user account by clicking the **REGISTER** Button. Refrain from uploading government-issued identification (such as driver's license, passport, passport card, social security card, or senior citizen card) as a profile picture.
3. Search for the business entity by clicking on **ONLINE SERVICES > SEARCH FOR AN ENTITY**. Enter the name in the field, click the **SEARCH** button, and scroll down to view the results.
4. Click on the entity and **REQUEST AUTHORITY**. A current government-issued identification and authorization letter are required to be uploaded. The authorization letter is located at <https://ltg.gov.vi/> (Divisions > Corporations & Trademarks > Forms).
5. Once in receipt of the email approval, log into the user account in Catalyst. Click on the entity name under the **My Items** tab.
6. For business entities (Corporations, Partnerships, and LLC), complete the **UPDATE PROFILE SERVICE**. The gray button is located at the top of the profile. Have on hand a copy of the information below, which is required to be entered within that service.
  - Registration documents (articles, amendments, mergers, if applicable)

  - Names, physical, mailing, and email addresses of persons associated with the entity (including incorporators, the president, treasurer, secretary, chairman, vice chairman, directors, organizers, members, managers, resident agent, and partners) are required.

Business entities will have access to file the franchise tax and/or annual reports, amendments, mergers, change of principal office, resident agent, withdrawal, if applicable, and request certificate of fact and/or good standing (if the entity's status is In Good Standing) using the online system. The acceptable online payment forms are MasterCard, Visa, and ATH.

**Note:** To restore the entity's status to good standing, the annual filing (franchise tax and/or annual report for the due date of June 30, 2018, and successive filings up to June 30, 2022) shall be remitted online by clicking on **MAINTAIN > FILE FRANCHISE TAX/ANNUAL REPORT under the entity's profile**. Once approval is granted, the consecutive filings shall be submitted in the same manner. Prior year filings shall be delivered to the office as a paper submission.
