PENN NATIONAL  
INSURANCE  
*Feel Secure®*

Anastasios “Tom” Trispagonas, a ‘99 graduate of MHS and owner of Trispagonas Insurance, is pleased to offer an exclusive 5% discount for Milton Hershey School, Hershey Trust Company, Catherine Hershey School and M.S. Hershey Foundation employees, retirees and MHS Alumni. Any member of the Milton Hershey School family is eligible for this unique discount on new or existing auto, homeowner, condo and tenant policies with Penn National Insurance.

Unlike a captive agent or direct insurance company that only offers their own proprietary products, Trispagonas Insurance operates as an independent broker. Many consumers don’t fully understand just how important that really is! When it comes to insurance, “one-size” or one carrier doesn’t always fit all. That’s why our policyholders appreciate working with an agency that can offer in-depth knowledge of multiple insurance products, companies, and insurability guidelines – not just one. We hold carriers accountable and shop the market on our clients’ behalf to offer the best rates and quality of coverage available. Based in Harrisburg, PA, we’re able to offer coverage for residents of PA, MD, NY and CA.

Standard underwriting guidelines apply. Eligibility for coverage is not guaranteed. For any existing Penn National Insurance policyholders – please contact us to have this discount applied to your existing policies. To learn more, visit our website at [www.trispagonas.com](http://www.trispagonas.com) or call 717-238-6000. We can also be reached by email at [a.trispagonas@grovefinancial.net](mailto:a.trispagonas@grovefinancial.net)

- The "AIL PLUS" program offers a plethora of health, dental & prescription discount services. Even for your pets!
- Mortgage protection to help ensure your loved ones won't lose your house in the event of you passing prematurely before the mortgage is paid in full.
- Income protection to help keep your loved ones a float until they can figure out life without you.
- Free Will kits and a guide to fill them out correctly, saving you hundreds of dollars.
