How to Transfer Amazon Shares Out of Your Morgan Stanley at Work Stock Plan Account

You may transfer or gift Amazon shares from your stock plan account to another account in your name, or to a third party (individual, charity, trust, etc.). The process depends on the value of your share transfer, and the location and type of the receiving account. For estate account questions, please contact the Morgan Stanley Service center. See contact information on <u>page 7</u> below.

Transfers or Gifting of Shares to a Third Party, Donor-Advised Fund, or Charity, are Subject to Amazon's Insider Trading Policy

If you are subject to the trading window or preclearance, Amazon's plan rules require that you contact Amazon's Legal Department at stockpolicy@amazon.com to make a gift of Amazon securities. You may only make gifts of Amazon securities during the trading window unless you can make certain legal representations concerning the gifted shares.

Letter of Authorization

If you are required to submit a completed Letter of Authorization, you have two options:

Option 1 - Mail or fax the completed form to: Morgan Stanley / Global Stock Plan Services P.O. Box 182616 Columbus, OH 43218-2616 Fax: +1 614-467-4471

Once the form is received and reviewed, **Morgan Stanley will call you to verbally verify** your voice to prevent fraud.

Option 2 - Call the Morgan Stanley Service Center to request the *Letter of Authorization* form be sent to you via Secure Email. You will then return your completed form via Secure Email.

PLEASE NOTE: Processing times on all transfer types can vary. For an estimated date of transfer, please request this during your call or during call-back verification from Morgan Stanley Service Center if transfer form was submitted to an agent and **be sure to submit your request well in advance of the date you need the transfer completed**. For faster processing, please complete the forms electronically.

Special Considerations for Third Party Transfers

It is important to note that transfers of any value to a transfer agent as well as all third-party transfers over \$100,000 will require you to provide a clear copy of both sides of your **government issued identification** document, including signature. It is recommended that you enlarge the copy to ensure readability.

Be aware that if the signature on your *Letter of Authorization for Stock Transfer* form does not match your government issued identification, your request cannot be processed.

If you are concerned about your signature matching, consider one of the following options:

- 1. Provide alternate identification such as a government issued passport,
- 2. Have the Letter of Authorization notarized; or,
- 3. Request the receiving account broker dealer to provide a *Medallion Signature Guarantee* stamp on the Letter of Authorization for Stock Transfer form.
